WE FOCUS ON PARTS, SO YOU CAN FOCUS ON YOUR BUSINESS.

Wheeler Fleet Solutions is driven by our desire to keep your vehicles on the road, not on a rack. We know that uptime is critical to your success, and we pride ourselves on delivering value and driving operational excellence for our customers.

FLEET PARTS

At Wheeler Fleet Solutions, we are driven to deliver exceptional parts value, product knowledge and market-leading customer service. Our team members have decades of experience helping fleet managers, technicians and independent shop owners find the perfect parts solution. Wheeler actively manages over 700 parts suppliers for medium and heavy-duty vehicles. We select the best parts and buy from OEMs, Tier 1 and aftermarket manufacturers, so you buy from one source with confidence.

INVENTORY MANAGEMENT

Wheeler Fleet Solutions offers a comprehensive fleet parts management system, Wheeler PLUS, that guarantees the right parts are always on your shelf. Wheeler PLUS is an intuitive system designed to limit keystrokes for technicians and provide impactful analytics to managers. Wheeler PLUS will improve shop efficiency, lower your parts' spending, consolidate invoicing and improve vehicle uptime. Wheeler PLUS can be customized to fit your company's specific needs better than any big box solution. Invest in your business, not your inventory, with Wheeler PLUS.

Uptime Delivered

Wheeler Fleet Solutions is a solution-driven partner with a 60-year history of fleet support. Each day, over 400,000 vehicles rely on Wheeler Fleet Solutions' parts and system to keep their vehicles moving and their businesses running. From vocational vehicles to last mile delivery to our armed services, Wheeler has a solution for you, and that's Uptime, Delivered.
